This paper was published online on 4 June 2015 with an error in a label of Fig. 1(c), in the caption of Fig. 1, and in the text below Eq. (3). The  $y$ -axis label of Fig. 1(c) should read as “ $|\alpha_t^{(1)}|$ .” The third sentence of the caption to Fig. 1 should read as “(c) Calculated  $|\alpha_t^{(1)}|$ , which governs the modulation of the QE-cavity coupling constant  $g$ .” The second line under Eq. (3) should read as “detuning and the target cavity fraction  $|\alpha_t^{(1)}|$  of the mode . . . .” The paper has been corrected as of 28 July 2016. The figure and text are incorrect in the printed version of the journal.
