Box 5: Quotes from interviews about treatment options

Treatment options	<p>"I only went {to specialist practice} once and he made it very clear <i>you have to do this or you have to do that but he didn't really give me the option....</i> when I came here {hospital} there was more options" [SI01]</p> <p>"I think {the dental team} told us the different options and we just talked about which was probably the best to take." [SI02]</p> <p><i>"I don't know if I had that many options at the start, I don't think I did"</i> [SI06]</p>
Discussion of option of no treatment	<p><i>"No... but I definitely would've changed {my teeth}"</i> [SI01]</p> <p><i>"No I've always wanted my teeth to be good so I think I've always wanted treatment, I've never really liked my teeth so I think it's good that I will get the help"</i> [SI03]</p> <p><i>"No I was always wanting to get them sorted and wanting to go and get what I could done, as soon as it happened I wanted it doing"</i> [SI04]</p> <p><i>"Well we had a choice but I wanted teeth that would make me look, teeth that would be more normal"</i> [SI05]</p> <p><i>"I can't quite remember but I knew that I didn't have a choice because my mum told me she really regretted not getting braces so I should get them"</i> [SI08]</p>
