Errata

Equation (16) in Section IV titled ‘Sea ice backscatter model at C-band’ contains a typographical error. It currently reads as:

$$\sigma_{ice}^0(\theta) = \sigma_{ice}^0(\theta_0) + \int_0^{\theta} u(\theta') A(\theta') d\theta'$$
$$u(\theta') = \exp\left(\int_0^{\theta'} B(\theta'') d\theta''\right)$$

It should read as:

$$\sigma_{ice}^0(\theta) = \frac{1}{u(\theta)} \left[\sigma_{ice}^0(\theta_0) + \int_0^{\theta} u(\theta') A(\theta') d\theta' \right]$$
$$u(\theta') = \exp\left(\int_0^{\theta'} B(\theta'') d\theta''\right)$$
