Dear Dr. Westling,

I am pleased to inform you that the manuscript "Making sense of landscape change: long-term perceptions among local residents following river restoration" (Dr. Emma Westling) has now been accepted for publication.

Your manuscript will soon be passed to the production department for further handling. Then you will receive further notice.

When your paper is published on ScienceDirect, you want to make sure it gets the attention it deserves. To help you get your message across, Elsevier has developed a new, free service called AudioSlides: brief, webcast-style presentations that are shown (publicly available) next to your published article. This format gives you the opportunity to explain your research in your own words and attract interest. You will receive an invitation email to create an AudioSlides presentation shortly. For more information and examples, please visit http://www.elsevier.com/audioslides.

Thank you for considering our journal for the publication of your research.

With kind regards,

Geoff Syme, PhD
Editor
Journal of Hydrology
