In this Article, the sentence beginning ‘However, pairwise divergence...’ erroneously cited Fig. 3b instead of Fig. 2b. The full sentence should therefore read: ‘However, pairwise divergence of the amino acid sequences between *H. antecessor* and the clade containing *H. sapiens*, Neanderthals and the Denisovan is larger than the divergence between the members of this clade (Fig. 2b, Supplementary Fig. 12, Supplementary Information)’. The Article has been corrected online.
