Correction to: *Nature Metabolism* <https://doi.org/10.1038/s42255-020-00306-2>, published online 9 November 2020.

In the version of this article initially published, in the ×40 diseased human kidney images in Supplementary Fig. [1](#), the FSGS image duplicated the DN image. The error has been corrected in the HTML version of the article.

Original and corrected.
