Erratum to: Adm Policy Ment Health DOI 10.1007/s10488-015-0711-4

Unfortunately, during the correction process, the graphics for Figures 1, 2, 3, 4 were incorrectly positioned.

In the original online version, the graphic for Fig. 3 corresponded to the caption for Fig. 1 and this should have been the first graphic displayed. Similarly, the graphic for Fig. 4 corresponded to the caption for Fig. 2 and this should have been the second graphic displayed.

Hence, the figures and captions are corrected in this erratum.

The online version of the article has also been corrected.
