Erratum to: “Using a discrete choice experiment to value the QLU-C10D: Feasibility and sensitivity to presentation format” by Norman *et al.* (2016) 25:637-649

In this article by R. Norman et al., an error was found in Table 1 in the reported wording of the Physical Functioning item. The error and correction are described below. The error was limited to Table 1. The survey described in the paper used the correct labelling, and the validity of the analysis is therefore unaffected by the error.

Correction to Table 1: Level labels for the Physical Functioning dimension

	Incorrect label originally reported	Correct label
Level 1	No trouble taking a short walk outside of the house	No trouble taking a long walk
Level 2	At least a little trouble taking a short walk outside of the house, and no trouble taking a long walk	At least a little trouble taking a long walk but no trouble taking a short walk outside the house
Level 3	At least a little trouble taking a short walk outside of the house, and at least a little trouble taking a long walk	A little trouble taking a short walk outside the house
Level 4	Quite a bit or very much trouble taking a short walk outside the house	Quite a bit or very much trouble taking a short walk outside the house
