Boundary Range, Alaska
07 to 08/2017; 5 sites
Incubation: 31 - 33 days
Glacier cover: 11 to 55%
Finse, Norway
07 to 09/2017; 14 sites
Incubation: 34 - 39 days
Glacier cover: 0 to 85%
Western Alps, France
08 - 09/2017; 11 sites
Incubation: 34 days
Glacier cover: 0 to 51%
Eastern Alps, Austria
06 to 08/2016; 14 sites
Incubation: 36 to 38 days
Glacier cover: 0 to 64%
Antisana, Ecuador
06 to 09/2017; 10 sites
Incubation: 35 - 37 days
Glacier cover: 0 to 65%
Southern Alps, New Zealand
11/2016 to 01/2017; 3 sites
Incubation: 34 to 39 days
Glacier cover: 0 to 50%
