
Corrigendum: A highly discriminatory RNA strand-specific assay to facilitate analysis of the role of *cis*-acting elements in foot-and-mouth disease virus replication

Samuel J. Dobson, Joseph C. Ward, Morgan R. Herod, David J. Rowlands and Nicola J. Stonehouse*

Journal of General Virology 2023;104:001871, doi: 10.1099/jgv.0.001871

A reviewer of this article identified that the original published version of this article included an incorrect version of the supplementary data published online in error. The prior supplementary material included averages and standard deviation of pre-analysed raw data which were intended to be removed following peer review.

The corrected supplementary material is available with the online version of this Corrigendum.

The authors express their thanks to the reviewer for identifying this issue and apologise for any inconvenience caused.
