Correction to: Clinical Oral Investigations <https://doi.org/10.1007/s00784-025-06205-8>

The sentence is needed to be added in acknowledgment section: “*This research has been conducted using the UK Biobank Resource under Application Number: 54633*”.

This additional statement is required by the data resource and does not affect the interpretation of the findings.

The original article has been corrected.
